

APPENDIX A
PHOTOGRAPHS
(Three Pages)

Photograph Number 1

Description: Rush Lake, looking towards the north end of lake that is dry with the exception of springs and the visible shallow water that remained until the end of summer.

Date: August 13, 2002

Picture Taken by: Christopher Bittner, UDEQ

Photograph Number 2

Description: Clover Reservoir, looking towards the east where the TOCDF is visible in the center of the picture on the horizon. The dike is visible on the left side of the picture and no standing water or damp soil was present.

Date: August 13, 2002

Picture Taken by: Christopher Bittner, UDEQ

Photograph Number 3

Description: Atherley Reservoir, looking towards the northwest. A Canadian Goose is visible in the foreground of the reservoir.

Date: August 13, 2002

Picture Taken by: Christopher Bittner, UDEQ
